

Sponsorship Proposal

We have

three unique sponsorship opportunities:

Lunch

These monthly luncheons give our members the opportunity to connect.

Breakfast

We serve breakfast daily with fruit and pastries set out every morning.

Coffee & Tea

We ground and brew fresh coffee daily and also provide tea.

Your brand will be seen by hundreds, if not thousands, of locals each month. Our members and their guests are appreciative of these additional membership perks, which your business is credited for. This type of recognition can be very beneficial for establishing new business connections and opportunities.
